### PROFESSIONAL GOAL

- Newly discovered passion for software development, looking for new challenges, professional and personal growth

### EDUCATION

- Diploma in Customer Service - Greystone College - September, 2019
  - The course held in Toronto - Canada, had more than 240 hours of classes and more than 240 hours of paid internship
- Full Stack Web Development - Trybe, (Date of the conclusion: June 2022),
  - The program has more than 1,500 hours of classes and covers introduction to development software, front-end, back-end, computer science, software engineering, methodologies agile and behavioral skills.

### WORK EXPERIENCE

- Butcher- Nosso Talho (Toronto - Canada) Jan 2019 / Oct 2019
  - Serve customers with all their needs.
  - One of the jobs where I learned and evolved the most due to the challenge of doing something completely new in a new language where I didn't have full command of the language
- Treasurer - Tamoio Boas Impressões (São Paulo - Brazil) Oct 2019 / Jan 2022\*
  - Manage and control all business expenses.
  - With the most diverse experiences I had in this company, I can say that I learned a lot about, group work, empathy, how to express yourself and not be afraid of making mistakes.
